

# Diverse Sources of Clinical Trial Subjects: A New Challenge for Clinical Trial Sites

Lisa Dilworth, BS, MS  
Vice President, Rare and Orphan Diseases  
Synteract

# A Good Problem: Multitude of Patient Sources

# Getting Closer to Our Target

Access to motivated patients

Bringing patients to the trials

Accelerating enrollment

Cold Calling Sites

Logistics

What Happens After The Study?

Cross-border Enrollment  
Patient Travel

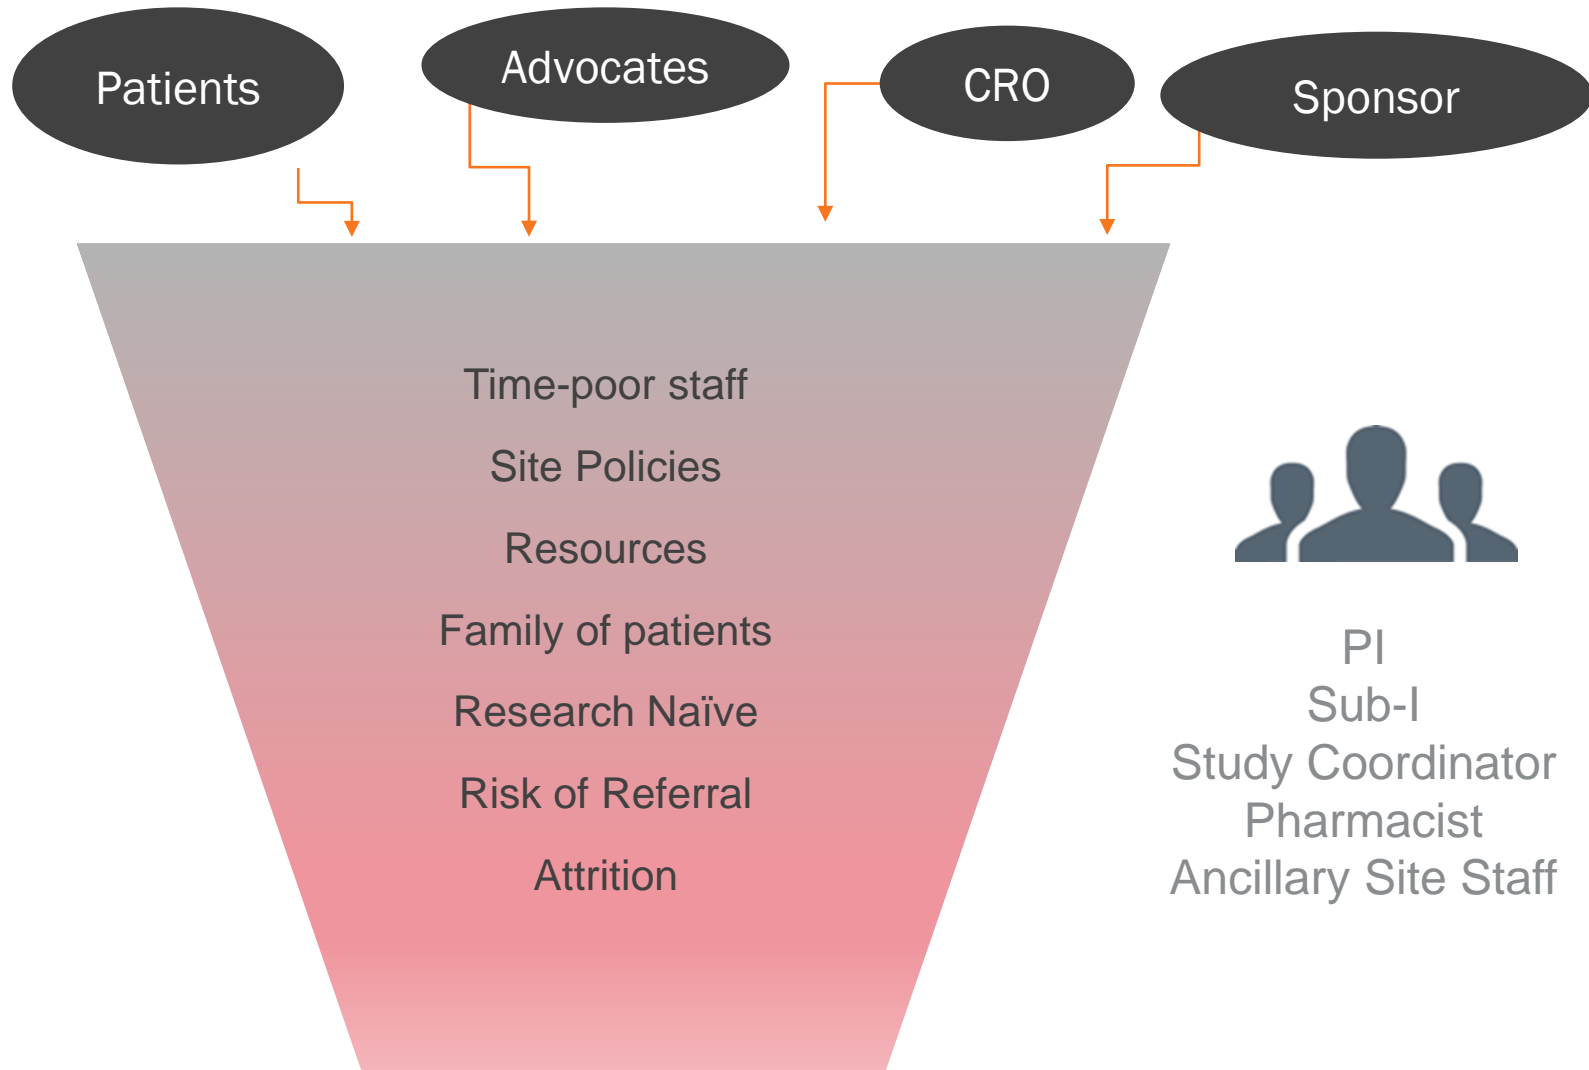

Care Circle

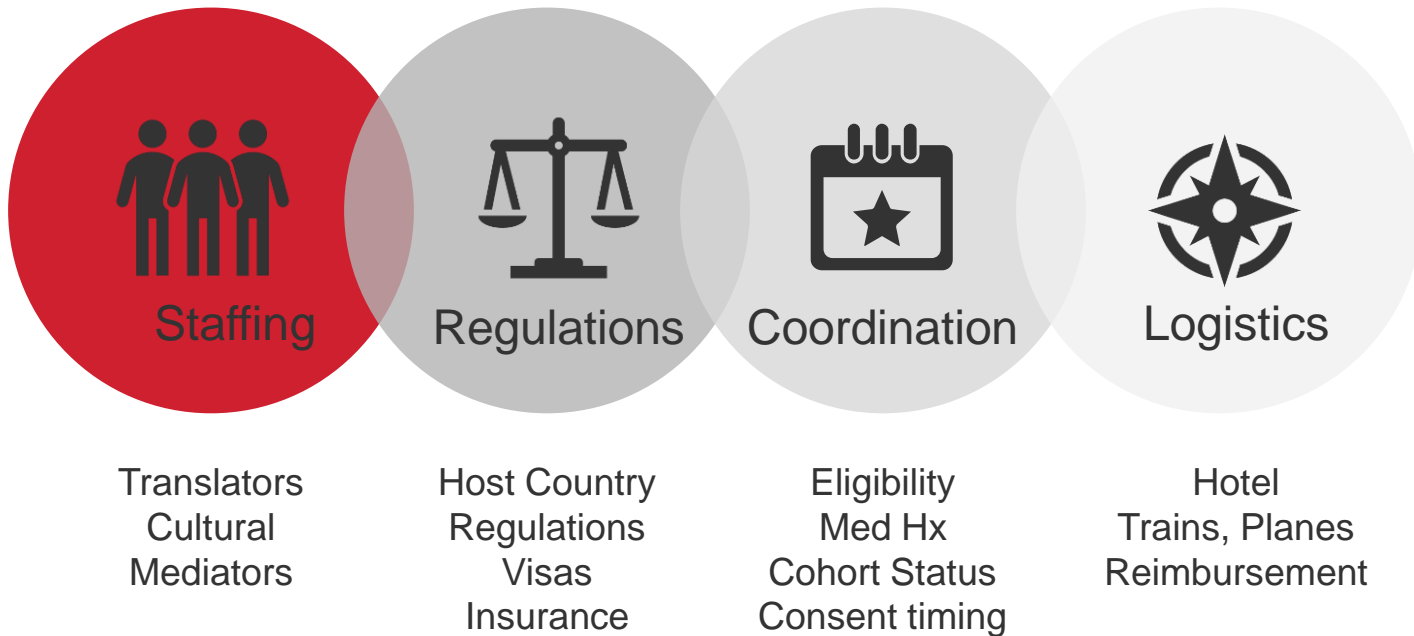

Socioeconomic  
Challenges

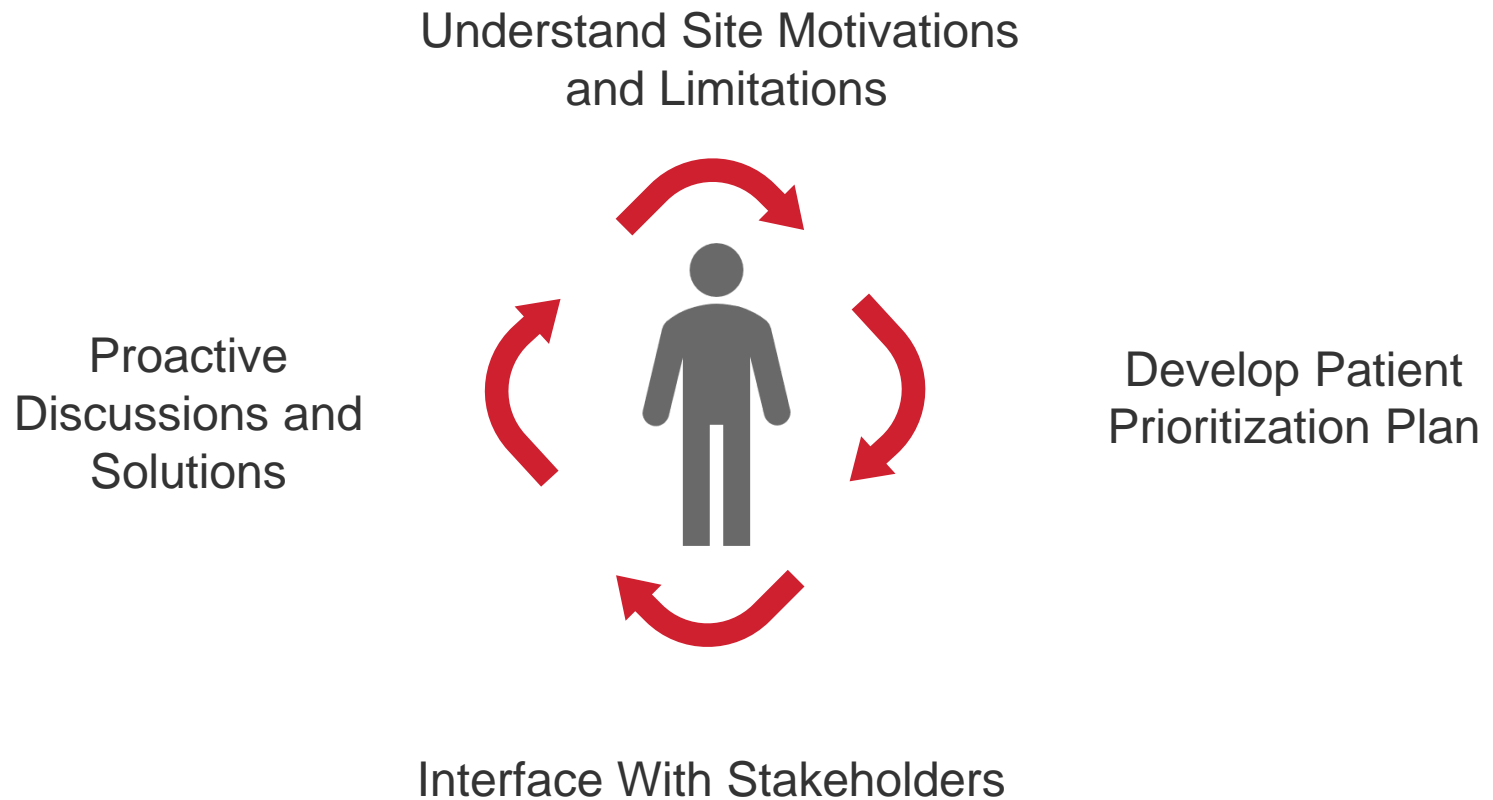

# What Affects Our Subjects, Affects Our Sites

# Cross-border Enrollment: Site Burden

← Cross Border Enrollment Planning →

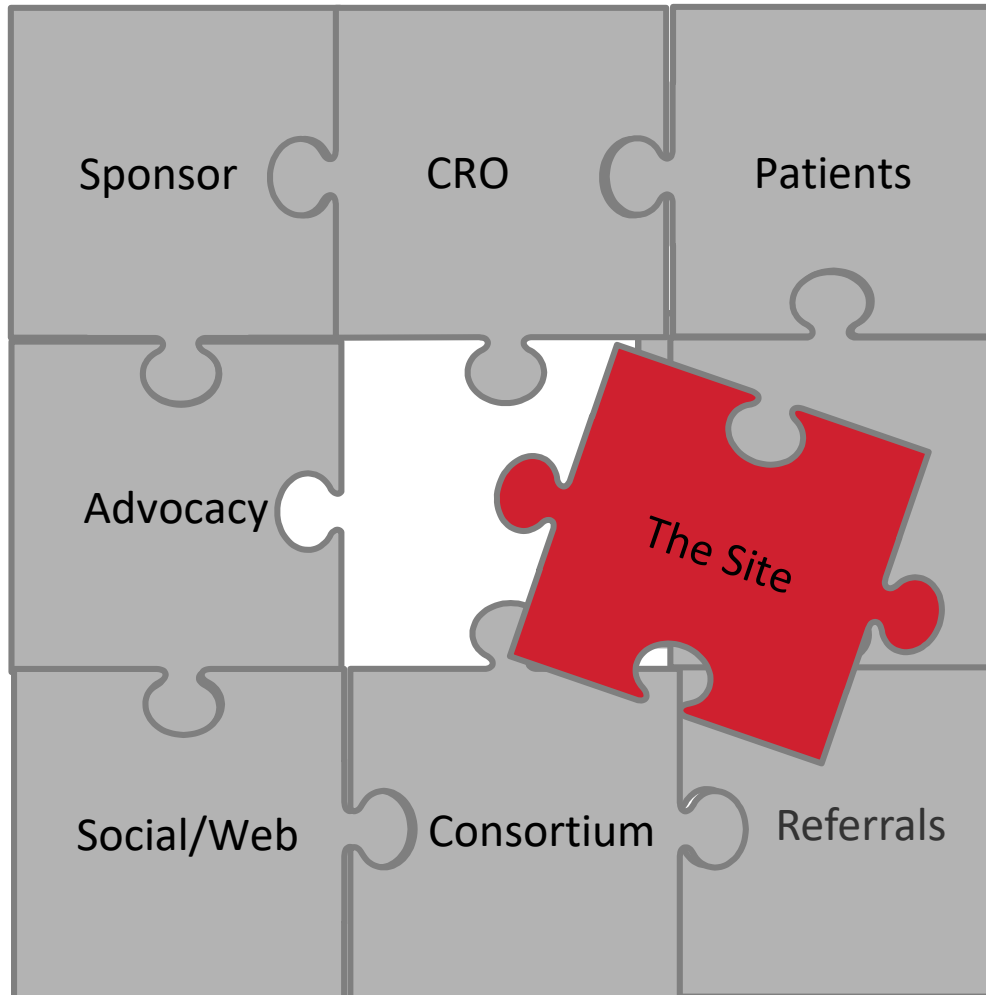

# Creating a Sustainable Study Environment

# The Missing Piece

## Enhance the Site Experience!

- ✓ Increase Enrollment
- ✓ Improved Performance
- ✓ Decrease LTFU
- ✓ Increased Efficiency
- ✓ Reduced Complexity
- ✓ Reduced Burden
